

Precept position for 2021/2

Due to COVID-19 and the financial uncertainty of our residents, the Parish Council have decided **not** to increase the precept as part of the Council Tax for the financial year 2021/2. We feel that we are in a strong enough position to be able to do this and continue to provide the same level of service.

The Parish Council has been able to still do the work it committed to during the pandemic, of which we are very proud. The playground at Lane House Lane is still being sanitised every week, and the Lengthsman continues to carry out his duties.

The Council has a fantastic team of volunteer councillors who work tirelessly on each resident's behalf to ensure any issues that arise, bus shelters are in good order, planning applications put forward and our roads are dealt with in the correct manner.

Our Lengthsman works through all kinds of weather to make sure the grass is cut, the bushes aren't overhanging paths, roadside benches are accessible, and our area is kept looking its best.

The Trawden in Bloom Team – again, a small army of dedicated volunteers who plant the containers all around the parish, weed them, water them and ensure they look their best for the fantastic sponsors that we have.

Of course, we cannot forget those residents who clear areas outside theirs and other people's homes, pick up litter, check in on neighbours and are just kind and thoughtful who do not expect any kind of recognition. Our village wouldn't be the same without you. Thank you.

In the past year, we have installed CCTV cameras on the corner of the Church wall and already we have provided the Police with many images and footage of vehicles and individuals that have been committing crime throughout our Parish. They have already been worth their while installing them.
