

Item 6

Here's the quote and spec, we wondered whether your financial support could be in the way of a grant, with protective covenant returning ownership to the PC should things go wrong.

Regards

Steven

Good Afternoon Bob,

I hope you are well and keeping safe/healthy and thanks for the enquiry, we appreciate the opportunity to help.

Our new build Cedar units can be built to your layout and we are working on a 12 week lead time at present from sign off to delivery.

Budget prices to you are as follows –

2no 24' x 10' Cedar Clad Units

Black steel door

3no UPVC windows – black

Choice of floor covering – vinyl, carpet or 'wood effect' vinyl

Vinyl faced plasterboard internally

All electrics, lighting and heating (inc cert)

Finished to a very high standard inside and out.

Brand New Purchase Cost – Open Plan - £13,425 + VAT

Brand New Purchase Cost – 2 Office with additional external steel door – £14,395 + VAT

Delivery to site – assuming both can be delivered on the same day on the same truck and suitable clear access for drop off - £695 + VAT

Layouts will be prepared for you to sign off prior to commencement of works.

Please remember prices do NOT include for –

Foundations on site

Connection to mains electrics/waste on site

Blinds to windows

I hope this helps you in the first instance and I have attached our standard timber clad spec sheet for your records.

Thanks again for the opportunity to help and I hope to hear from you in due course.

All the best.

Richard Wilsdon MSc
