

Item 16 Queens Platinum Jubilee

Clerks' suggestion of a participating in the Queen's Green Canopy for the Platinum Jubilee

The red line indicates the approximate area for suggested tree planting for the Queen's Platinum Jubilee.

Cllr's D&C Storey - What a about street party in the Area ?

Cllr MacDonald - i do like the idea of a bonfire - but worry about

- cost
- siting
- who lights?
- organising

in the village in the past, we have done 'royal' events - eg we had a picnic in the field behind the playground.

perhaps we need to link in with the community centre etc to hold a "party"?

are there areas in the village we could do street parties? eg the square. we could press gang area coordinators to do and invite neighbours???? potential funding pots?? Jacobs joins???

Item 16 Queens Platinum Jubilee

Cllr Robinson

It would be good to join the plea for 'planting a tree' for the Queen's Diamond Jubilee. There are many native species but what about a plum tree called 'Jubilee Plum'?
