Please note our terms and conditions are as follows:

1. Estimates based on one visit only, if more visits are required then they will be additional charges.
2. Standard working hours are Monday to Friday. Work carried out on weekends will be subject to extra costs.
3. Unfortunately, due to current volatility of the suppliers' market we are unable to fix our quotations.
4. **Our price is NETT and all prices subject to VAT.**
5. Should the work vary, or additional visits be required, revised rates shall be agreed prior to carrying out such works.
6. Payment required as instructed on date of invoice.
7. Monk of Colne Limited reserve the right to charge interest on overdue accounts.
8. Retentions are payable after the agreed retention period, normally 12 months, irrespective of whether the main contractor has collected retention, unless written acknowledgement of defects is provided.
9. These conditions are final and are not overridden by those of the main contractor.
10. Priced on normal weekday Monday-Friday working, if works required over weekend additional costs apply.
11. An order instruction is **mandatory** to carry out the works.
12. If JCT minor works contract is to apply the period of retention and percentage is to be advised on the order instruction.
