

Item 7

Hi Adele, just two items that might be of interest to the Parish Councillors from our last Trustees meeting of 11/05/2026

- Trawden community centre, shop and library were encouraged by Plunkett UK to put ourselves forward for one of their rural community business awards. We are pleased that we are one of the nominees for the Keeping it Local award "for going above and beyond to strengthen their local economies by prioritising local suppliers, services and partnerships". <https://www.facebook.com/plunkettUK>
- The Government are launching a Deposit Return scheme. Implementation due 1st October 2027. I've attached an article. It's something the Charity are keen to explore as a positive initiative for our community.

Kind regards
Karen
