

## Item 7

Hi Adele,

Here is our report for the Parish Councils next meeting.

- We continue to need new volunteers for all aspects of the running of our community center library and shop, including trustees.
- We are proud to have been nominated for the Kings Award for voluntary service. An assessor has visited and we are progressing through to the next stage.
- Our 500 club has now reached 510 members. Its success has been a helpful boost to the charities finances.
- We are negotiating with In Post lockers to have them installed next to the shop, providing a new service to the village.

Thanks  
Karen
