Just a couple of things to report from the trustees this month.

- Following on from the successful children's storytime session in the library in August, we are offering a further session in half term, on 29th October.
- Two volunteers are helping organise some of the many photos we inherited from Jack Greenwood, and we are planning to exhibit some of them in the library.
- The annual Children's Christmas Party will be on 12th December.
- The Chair of Trustees and the Volunteer Coordinator were honoured to attend a reception for voluntary organisations recently. This was at County Hall and was hosted by the Leader of the Council and the Lord Lieutenant of Lancashire.

Thanks

The village newsletter is currently being put together. We hope to have it out towards the end of November.
