

Item 14c

Hi Adelle,

Promoting the "Play Streets" with residents is a great idea. It is great that Elle is going to go into school to do assemblies as well.

We could potentially come and offer some diversionary activities with young people around the park, making the best use of the equipment available to offer alternatives to football?

My colleague and I could come and have a look at the space and work on an outreach plan over a period of several weeks.

Would this be of interest to you?

Kind Regards

-
